

Dear [NAME],

Your account is safe. This is a general advisory to help you stay protected from scams involving unauthorised websites, applications, individuals, and WhatsApp/Telegram groups.

We have identified unauthorised websites, applications and individuals misusing the Angel One name and logo to collect money and offer fake investment returns:

Websites/Applications	Contact numbers
angeloneprime.me	7694857437
angelonee.in	7747991695
h5.alotvgpro.com	9406615730
h5.alotvgmax.com	8068714044
h5.kcns332.com	9285452616
angeloneprototype.in	7648970585

None of these are associated with Angel One. Angel One has no association or relationship with these websites, applications, individuals or WhatsApp/Telegram groups.

Remember: Angel One or its representatives will never ask you to share your OTP, PIN or password, or ask you to transfer funds to a third-party account.

If you're contacted by someone like this:

1. **Don't click** suspicious links or download apps from unknown sources.
2. **Don't transfer funds** based on unsolicited investment offers or promises of returns.
3. **Don't share** your OTP, PIN, password or other confidential information with anyone.
4. **Verify** links, apps and contact numbers through Angel One's official channels before engaging.
5. **Be cautious** of fake profiles, websites, apps and WhatsApp/Telegram groups impersonating Angel One.

Report it:

1. Write to us at support@angelone.in or call **1800 1020**.
2. Report cybercrime at **cybercrime.gov.in**, call the national helpline **1930**, or contact your nearest police station.

Note: Angel One is not liable for losses arising from dealings with unauthorised individuals, websites, applications or groups falsely claiming association with Angel One. Any such interaction is entirely at your own risk.

Stay alert. Stay informed.
Team Angel One
