October witnessed an improvement in client engagement and trading activity, alongside the highest monthly client additions in nine months.

Trading activity strengthened, with total orders and average daily orders reaching a seven-month high in October 2026. While cash and commodity market shares moderated, commodity ADTO touched an all-time high, reflecting continued business scale-up. Building on the positive momentum at the end of Q2 FY27, improved trading activity drove sequential gains in overall retail equity market share, supported by an all-time high F&O market share.

The above information is as per limited review by the Management Team. The Company intends to provide the updates on a monthly basis.

Thanking you,

For **Angel One Limited**
