NOTES

In March 2020, the World Health Organisation declared Coronavirus (COVID-19) to be a pandemic
and consequently on March 24, 2020, the Government of India ordered a nationwide lockdown, which
got extended in phases. The outbreak of COVID-19 pandemic in India has caused significant
disturbance and slowdown of economic activities. The Company's business operations have been
significantly impacted by way of interruption of production, supply chain, etc.

The Company has taken various precautionary measures to protect its employees from COVID-19. The Company has assessed the impact of this pandemic on its business operations and has considered all relevant internal and external information available upto the date of approval of these financial results in determining the recoverability and carrying values of property, plant and equipment, intangible assets, investments, trade and other receivables, inventories and other financial statement captions. The impact of COVID-19 pandemic on the overall economic environment being uncertain, may affect the underlying assumptions and estimates used in preparation of these financial results, which may differ from those considered at the date of approval of these financial results. The Company will continue to closely monitor the situation and any material changes to future economic conditions. During May 2020, the Company has resumed its business activities in a phased manner in line with directives issued by the central and state governments.

- The standalone financial results for the quarter and the year ended March 31, 2020 of United Breweries Limited ("the Company") have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on June 24, 2020 and have been audited by the statutory auditors of the Company.
- 3. The standalone financial results have been prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 4. As per Ind AS 108, operating segment is a component of the Company that engages in business activities, whose operating results are regularly reviewed by the Company's Chief Operating Decision Maker ('CODM') to make decisions about resources to be allocated to the segment and assess its performance; and for which discrete financial information is available. Accordingly, the Company has identified its operating segments, as below:
 - (a) Beer This segment includes manufacture, purchase and sale of beer including licensing of brands
 - (b) Non-alcoholic beverages This segment includes manufacture, purchase and sale of non-alcoholic beverages

Considering the seasonality of the business, the revenue and profits do not accrue evenly over the year in respect of aforesaid operating segments. The Company's CODM does not review assets and liabilities for each operating segment separately, hence segment disclosures relating to total assets and liabilities have not been furnished.

5. Effective April 1, 2019, the Company has adopted Ind AS 116 which replaces Ind AS 17 on Leases. The Company has used the modified retrospective approach for transition to Ind AS 116 and consequently comparatives for previous period / year have not been restated. This has resulted in recognition of right-of-use assets and corresponding lease liabilities of Rs. 1,631 Lakhs as at April 1, 2019 (after giving effect to guidance issued by the Ind AS Technical Facilitation Group). The net impact of adopting this standard on the standalone financial results and earnings per share is not material.

- 6. On October 10, 2018, certain officials from the Competition Commission of India ("CCI") had visited the Company for their investigation in relation to allegations of price-fixation and performed search of the premises and conducted inquiries with certain officials of the Company at its registered office. Pursuant to this, the Company made requisite filings and also certain officials of the Company appeared before the aforesaid authorities. The Director General, CCI has submitted the investigation report to the CCI for consideration which was also communicated to the Company on December 13, 2019, followed with an updated report on March 19, 2020 for filing its suggestion / objections, if any. The Company has not received any demand order in respect of this matter, hence management is of the view that it is not practicable to state an estimate of its financial effect, if any. Management, alongwith its legal advisors, are reviewing the aforesaid report and evaluating this matter; and believe that there are mitigating circumstances to counter presumptions made against the Company by the CCI as contained in the Competition Act, 2002.
- 7. The Bihar State Government ("the Government") vide its notification dated April 5, 2016 had imposed ban on trade and consumption of foreign liquor in the State of Bihar. The Company had filed a writ petition with the High Court at Patna, requesting remedies and compensation for losses incurred on account of such abrupt notification, against which the Government preferred a special leave petition before the Supreme Court of India. Further, the Government did not renew brewery licenses for the financial year 2017-18 onwards and consequently the Company discontinued production of beer at Bihar and all its inventories lying with Bihar State Beverages Corporation Limited (BSBCL) were drained / destroyed. The matter is currently pending before the Supreme Court for final conclusion.

The financial impact on current assets arising from aforesaid matter was fully provided for. Also, during the financial year 2018-19, in order to maintain the assets in running condition, the Company commenced manufacture of non-alcoholic beverages at its existing manufacturing facility at Bihar using its existing property, plant and equipment at Bihar which has carrying value of Rs. 17,411 Lakhs as at March 31, 2020. Management believes that the carrying amount of these property, plant and equipment do not exceed their recoverable amount and accordingly no provision has been considered necessary by the management in this regard.

- 8. The Company had received emails from certain persons raising allegations in relation to its export business including the services of an export management service provider. The Company has completed its internal review and issued a notice of termination to the aforesaid export management service provider as well as a letter reserving its rights to claims, if any.
- 9. Revenue from operations for the quarters ended March 31, 2020, December 31, 2019 and March 31, 2019 is adjusted for reversals in variable considerations of Rs. 992 Lakhs, Rs. 1,068 Lakhs and Rs. 1,806 Lakhs, respectively, and that for the years ended March 31, 2020 and March 31, 2019 is adjusted for such reversals of Rs. 1,702 Lakhs and Rs. 2,091 Lakhs, respectively (excluding the amounts accrued and reversed within the said year).

Sales promotion expense and selling and distribution expense (included under other expenses) for the quarters ended March 31, 2020, December 31, 2019 and March 31, 2019 are net of reversal of Rs. 1,005 Lakhs, Rs. 1,244 Lakhs and Rs. 912 Lakhs, respectively, and that for the years ended March 31, 2020 and March 31, 2019 are net of such reversals of Rs. 489 Lakhs and Rs. 609 Lakhs, respectively (excluding the amounts accrued and reversed within the said year).

10. The Company had received an order dated September 30, 2015 from the Debt Recovery Tribunal, Karnataka, Bangalore (DRT), whereby the Company has been directed not to pay/release amounts that may be payable with respect to shares in the Company held by an erstwhile director (including his joint holdings) and United Breweries (Holdings) Limited, without its prior permission. Accordingly, the Company has withheld payment of Rs. 1,534 Lakhs (net of payment of Rs. 784 Lakhs to the official liquidator of United Breweries (Holdings) Limited) relating to dividend on aforesaid shares.

Further, the Company had received various orders from tax and provident fund authorities prohibiting the Company from making any payment to an erstwhile director. The Company has accordingly withheld payment of Rs. 45 Lakhs (net of TDS), relating to director commission and sitting fees payable to the aforesaid erstwhile director.

- 11. The Board of Directors of the Company has proposed dividend of Rs. 2.50 per equity share of Re. 1 each amounting to Rs. 6,610 Lakhs for the year ended March 31, 2020. The proposed dividend on equity shares is subject to approval at the ensuing annual general meeting and accordingly has not been recognised as a liability as at year end.
- 12. The figures of the last quarter ended March 31, 2020 / 2019 are the balancing figures between audited figures in respect of the full financial year up to March 31, 2020 / 2019 and the unaudited published year-to-date figures up to December 31, 2019 / 2018 being the date of the end of the third quarter of the financial year, which were subjected to limited review.
- 13. The standalone financial results and notes are also available on the websites of the Stock Exchanges viz. www.bseindia.com and www.nseindia.com and also on the website of the Company viz. www.unitedbreweries.com.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
 is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also
 responsible for expressing our opinion on whether the company has adequate internal financial
 controls with reference to financial statements in place and the operating effectiveness of such
 controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

· Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

 Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that

achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Statement includes the standalone results for the quarter ended March 31, 2020 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2020 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

NOTES

In March 2020, the World Health Organisation declared Coronavirus (COVID-19) to be a pandemic
and consequently on March 24, 2020, the Government of India ordered a nationwide lockdown, which
got extended in phases. The outbreak of COVID-19 pandemic in India has caused significant
disturbance and slowdown of economic activities. The Group's business operations have been
significantly impacted by way of interruption of production, supply chain, etc.

The Group has taken various precautionary measures to protect its employees from COVID-19. The Group has assessed the impact of this pandemic on its business operations and has considered all relevant internal and external information available upto the date of approval of these consolidated financial results in determining the recoverability and carrying values of property, plant and equipment, intangible assets (including goodwill), trade and other receivables, inventories and other financial statement captions. The impact of COVID-19 pandemic on the overall economic environment being uncertain, may affect the underlying assumptions and estimates used in preparation of these consolidated financial results, which may differ from those considered at the date of approval of these consolidated financial results. The Group will continue to closely monitor the situation and any material changes to future economic conditions. During May 2020, the Group has resumed its business activities in a phased manner in line with directives issued by the central and state governments.

- 2. The consolidated financial results for the quarter and the year ended March 31, 2020 of United Breweries Limited ("the Holding Company"), its subsidiary (together referred to as "the Group") and its associate have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on June 24, 2020 and have been audited by the statutory auditors of the Holding Company. The consolidated financial results does not include the Holding Company's share of net profit/loss in respect of Kingfisher East Bengal Football Team Private Limited, an associate, which is considered as not material to the Group. The consolidated figures for the corresponding quarter ended March 31, 2019, as included in the consolidated financial results, have been approved by the Holding Company's Board of Directors, but have not been audited or subjected to limited review by the statutory auditors of the Holding Company.
- 3. The consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 4. As per Ind AS 108, operating segment is a component of the Group that engages in business activities, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker ('CODM') to make decisions about resources to be allocated to the segment and assess its performance; and for which discrete financial information is available. Accordingly, the Group has identified its operating segments, as below:
 - Beer This segment includes manufacture, purchase and sale of beer including licensing of brands
 - (b) Non-alcoholic beverages This segment includes manufacture, purchase and sale of non-alcoholic beverages

Considering the seasonality of the business, the revenue and profits do not accrue evenly over the year in respect of aforesaid operating segments. The Group's CODM does not review assets and liabilities for each operating segment separately, hence segment disclosures relating to total assets and liabilities have not been furnished.

- 5. Effective April 1, 2019, the Group has adopted Ind AS 116 which replaces Ind AS 17 on Leases. The Group has used the modified retrospective approach for transition to Ind AS 116 and consequently comparatives for previous period / year have not been restated. This has resulted in recognition of right-of-use assets and corresponding lease liabilities of Rs. 1,631 Lakhs as at April 1, 2019 (after giving effect to guidance issued by the Ind AS Technical Facilitation Group). The net impact of adopting this standard on the consolidated financial results and consolidated earnings per share is not material.
- 6. On October 10, 2018, certain officials from the Competition Commission of India ("CCI") had visited the Holding Company for their investigation in relation to allegations of price-fixation and performed search of the premises and conducted inquiries with certain officials of the Holding Company at its registered office. Pursuant to this, the Holding Company made requisite fillings and also certain officials of the Holding Company appeared before the aforesaid authorities. The Director General, CCI has submitted the investigation report to the CCI for consideration which was also communicated to the Holding Company on December 13, 2019, followed with an updated report on March 19, 2020 for filling its suggestion / objections, if any. The Holding Company has not received any demand order in respect of this matter, hence management is of the view that it is not practicable to state an estimate of its financial effect, if any. Management, along-with its legal advisors, are reviewing the aforesaid report and evaluating this matter; and believe that there are mitigating circumstances to counter presumptions made against the Holding Company by the CCI as contained in the Competition Act, 2002.
- 7. The Bihar State Government ("the Government") vide its notification dated April 5, 2016 had imposed ban on trade and consumption of foreign liquor in the State of Bihar. The Holding Company had filed a writ petition with the High Court at Patna, requesting remedies and compensation for losses incurred on account of such abrupt notification, against which the Government preferred a special leave petition before the Supreme Court of India. Further, the Government did not renew brewery licenses for the financial year 2017-18 onwards and consequently the Holding Company discontinued production of beer at Bihar and all its inventories lying with Bihar State Beverages Corporation Limited (BSBCL) were drained / destroyed. The matter is currently pending before the Supreme Court for final conclusion.

The financial impact on current assets arising from aforesaid matter was fully provided for. Also, during the financial year 2018-19, in order to maintain the assets in running condition, the Holding Company commenced manufacture of non-alcoholic beverages at its existing manufacturing facility at Bihar using its existing property, plant and equipment at Bihar which has carrying value of Rs. 17,411 Lakhs as at March 31, 2020. Management believes that the carrying amount of these property, plant and equipment do not exceed their recoverable amount and accordingly no provision has been considered necessary by the management in this regard.

- 8. The Holding Company had received emails from certain persons raising allegations in relation to its export business including the services of an export management service provider. The Holding Company has completed its internal review and issued a notice of termination to the aforesaid export management service provider as well as a letter reserving its rights to claims, if any.
- 9. Revenue from operations for the quarters ended March 31, 2020, December 31, 2019 and March 31, 2019 is adjusted for reversals in variable considerations of Rs. 992 Lakhs, Rs. 1,068 Lakhs and Rs. 1,806 Lakhs, respectively, and that for the years ended March 31, 2020 and March 31, 2019 is adjusted for such reversals of Rs. 1,702 Lakhs and Rs. 2,091 Lakhs, respectively (excluding the amounts accrued and reversed within the said year).

Sales promotion expense and selling and distribution expense (included under other expenses) for the quarters ended March 31, 2020, December 31, 2019 and March 31, 2019 are net of reversal of Rs. 1,005 Lakhs, Rs. 1,244 Lakhs and Rs. 912 Lakhs, respectively, and that for the years ended March 31, 2020 and March 31, 2019 are net of such reversals of Rs. 489 Lakhs and Rs. 609 Lakhs, respectively (excluding the amounts accrued and reversed within the said year).

10. The Holding Company had received an order dated September 30, 2015 from the Debt Recovery Tribunal, Karnataka. Bangalore (DRT), whereby the Holding Company has been directed not to pay/release amounts that may be payable with respect to shares in the Holding Company held by an erstwhile director (including his joint holdings) and United Breweries (Holdings) Limited, without its prior permission. Accordingly, the Holding Company has withheld payment of Rs. 1,534 Lakhs (net of payment of Rs. 784 Lakhs to the official liquidator of United Breweries (Holdings) Limited) relating to dividend on aforesaid shares.

Further, the Holding Company had received various orders from tax and provident fund authorities prohibiting the Holding Company from making any payment to an erstwhile director. The Holding Company has accordingly withheld payment of Rs. 45 Lakhs (net of TDS), relating to director commission and sitting fees payable to the aforesaid erstwhile director.

- 11. The Board of Directors of the Holding Company has proposed dividend of Rs. 2,50 per equity share of Re. 1 each amounting to Rs. 6,610 Lakhs for the year ended March 31, 2020. The proposed dividend on equity shares is subject to approval at the ensuing annual general meeting and accordingly has not been recognised as a liability as at year end.
- 12. The figures of the last quarter ended March 31, 2020 are the balancing figures between audited figures in respect of the full financial year up to March 31, 2020 and the unaudited published year-to-date figures up to December 31, 2019 being the date of the end of the third quarter of the financial year, which were subjected to limited review.
- The consolidated financial results and notes are also available on the websites of the Stock Exchanges viz. www.bseindia.com and www.unitedbreweries.com.

Emphasis of Matter

We draw attention to below mentioned notes to the accompanying consolidated financial results:

- (a) Note 1 which describes management's assessment of the impact of COVID-19 pandemic on these consolidated financial results.
- (b) Note 6 which more fully describes the uncertainty relating to the future outcome of ongoing investigation by the Competition Commission of India ("CCI"); and
- (c) Note 7 which more fully describes the uncertainty relating to the outcome of special leave petition filed by the Bihar State Government before the Honourable Supreme Court of India and the consequential impact thereof.

Our opinion is not modified in respect of aforesaid matters.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated annual financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive loss and other financial information of the Group including its associate in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associate and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are also responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the
 disclosures, and whether the Statement represent the underlying transactions and events in a
 manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group of which we are the independent auditors to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entities included in the Statement of which we are the independent auditors. For the other entities included in the Statement, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Statement of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

PERFORMANCE HIGHLIGHTS FOR FULL YEAR & QUARTER ENDED MARCH 2020.

- GROSS REVENUE UP 3%. DESPITE INDUSTRY DECLINE DURING THE YEAR
- DUE TO PANDEMIC, Q4 VOLUMES & REVENUES NEGATIVELY IMPACTED

Covid 19 impacted performance in the March Quarter 2020. The full year performance was negatively impacted by elections in Q1, overall economic slowdown, unfavorable policy changes in Andhra Pradesh and input cost increases.

The price increases taken by the Company in the markets of Karnataka, Maharashtra, Rajasthan and Goa helped partially offset increased input prices of barley and new glass bottles resulting in less than 2% reduction in gross margin. In Q4 gross margin increased marginally due to a combination of positive price/mix and more stable input costs.

The Company launched Kingfisher Ultra Witbier, Kingfisher Ultra Draught and UB Export Cans. The response to Ultra Witbier and Ultra Draught has been very encouraging and the Company will expand to more markets in the coming months.

The continued efforts in premiumization was met with success in a challenging year with premium brands like Amstel growing more than fourfold to become a millionaire brand. Other premium brands like Kingfisher Storm and Kingfisher Ultra Max registered double digit growth.

The Company has put in place all recommended Covid 19 health & safety measures to protect staff & stakeholders. At the date of this release, all company breweries have received authorizations to operate except for one.

Regional performances for the year ended March 2020:

- In the North, UBL saw volume growth in Delhi, UP and Punjab while the volumes declined marginally in Rajasthan.
- In the South, UBL registered volume growth in TN. The volumes in Andhra Pradesh declined sharply in H2FY20 consequent to the new excise policy.
- Growth in the East was driven by West Bengal and Jharkhand while volumes in Orissa remained flat.
- All the key markets in the West remained sluggish with Rest of Maharashtra showing signs of recovery in Q2 & Q3 of FY20.

Interest costs remained flat and the net debt stood at Rs. 217 Cr. The focus on working capital management and the conservation of cash helped in funding the entire capex program of Rs. 402 Cr, out of internal accruals without resorting to any term borrowing.
